-> STATE BOARD REPORT <-

The September State Board meeting was the last of the "on the road" meetings until next spring, and was held in Glendale at the local Lions Club on the 14th. There were twenty-three voting members with no reps from Emerald Valley. The River City Reps were absent due to breakdowns, and S.E. Portland had only one rep. The minutes from the August meeting were read; four corrections were made.

Louise gave here report - the State Treasury is in good shape. If you would like to see the figures, please attend on of your chapter meetings and ask your State Rep to see the copy of Louise's report. Also, it is now the start of the LAST financial quarter. Your chapter's financial report is due at the October State Board meeting!!! This is EXTREMELY IMPORTANT!! Louise cannot keep an accurate account without the cooperation of each chapter's Treasurer. Please have your reports for July, August, and September in on time, so she can get her work done right away, instead of having to drag it out for a couple of months.

The Board voted to purchase an answering machine for the use of the State Membership Secretary. Carolyn is working on a new road list - those of you who'd like to be included should send your name and phone number to Carolyn C/O the post office box.

Teresa from River City will be going to the ABATE USA meeting as the official representative from ABATE of Oregon. The discussion on reimbursement was tabled until next meeting.

There was discussion on changing the MEANING of the letters A-B-A-T-E to "A Brotherhood Aiming Towards Education" - it was decided to take the question back to the chapters and see how the membership feels.

Chapters on Probation this month are Bend and Douglas County for missing newsletter reports, and Washington County for failure to communicate with the State Coordinator with a Bi-monthly report. The Chapter for the Deaf is on its 90 day "new chapter" probation.

The next Board meeting will be held in Eugene on Saturday, the 12th of October, at 1pm, at the Gate House Pizza. Hope to see you there!

DEDICATED TO FREEDOM OF THE ROAD!

YOU CAN'T DO IT BY YOURSELF

In the bible, Jesus said "I am the way and the truth and the life; No one comes to the Father, but through me." John 14:6. Please understand Jesus is calling out to you. It doesn't make any difference how good you are. If you haven't asked Jesus into your life as your Lord & Savior then you are going to hell. There's no way around it, Jesus is the only one who can help you. Don't say you have to clean up your life first. Jesus came to clean lives-let him do it. For you really bad guys, don't say you've done too many bad things and there's no hope for you. Through Jesus all things are possible.

When Jesus was on earth he was out in the streets. He spent time with thieves & robbers & prostitutes & all kinds of sinners. He came to save you no matter what or how big your sin is. Please call one of the numbers below. These people just want to share God's love with you. Even if you don't think you are serious, give 'em a call, ask 'em a question no matter how simple, just give Jesus a chance.

** A MESSAGE FROM ** ** YOUR STATE COORDINATOR **

The September State Board meeting was held in Glendale on the 14th. Douglas County's Windy Creek Run was afterwards, and a good time was had by all.

S.E. Portland, your chapter was only represented by one State Rep; Emerald Valley & River City, your Chapters had NO voice (State Reps) at this meeting. WHY?!

There are only three chapters in non-compliance with the rules of operation, Article 5, #3. Douglas County is the only chapter from last month STILL in non-compliance (NEWSLETTER). This month Washington County is for not sending me copys of their minutes, and Bend for no Newsletter report. I'm sure that the chapters in non-compliance will take care of the matter before the next board meeting.

Please send minutes and all other Chapter input to John Edwards P.O. Box 88, Cornelius, OR 97113.
Thanks! Ride Free! Deacon

Cyclist fatalities on rise

By JOSEPH SCHORR
of The Oregonian staff

East Multnomah County authorities say hot weather and novice or careless motorcycle riders have led to a dramatic increase in the number of motorcycle fatalities and injuries this summer.

Many victims have had limited riding experience, said Bob Schmidt, who investigates accidents involving deaths or serious injuries for the Multnomah County sheriff's department. He said the combination of "fair-weather riders" and "hot-weather drinking and exuberance" had led to more fatalities this year, many involving young people and people who do not wear state-approved helmets.

Motorcycle fatalities statewide have increased more than 50 percent over previous summers, according to statistics from the state Motor Vehicles Division. From May through July 1984, there were 21 motorcycle-related deaths reported statewide. This year, in the same three-month period, the number of fatalities climbed to 32.

Although it is legal for people over 18 to ride a motorcycle without a helmet, police said that riding without head protection was dangerous.

"Injuries have been on the increase, statewide and locally, because those involved have not worn the proper protective gear," said Lt. James Gruetzke of the Gresham Police Department.

Gruetzke's point is illustrated by the recent case of Joe Russell, a Gresham High School senior who fell from a motorcycle driven by fellow student Brett Logan, near the corner of East Burnside Road and Main Avenue on Aug. 12. Russell, a state wrestling champion, received serious head injuries and immediate surgery was required to remove skull fragments that had become lodged in his brain. He was not wearing a helmet when the accident occurred.

In the state's most recent motorcycle fatality on Aug. 12, Carl T. Fraly, 15, of Boring died when he drove his motorcycle into an oncoming car on Southeast 262nd Avenue. Fraly was driving the motorcycle illegally, without a license or learner's permit, according to Deputy Russ Williams, public affairs officer for the Clackamas County sheriff's office.

The speedometer on the wrecked motorcycle was stuck at 60 mph, indicating that Fraly probably lost control of it while speeding, Williams said.

Although Fraly was wearing a helmet, Williams said, it was not a helmet designed to withstand heavy impact. The helmet had no front protective shield. It shattered on impact.

Maury Wilson of the Oregon Traffic Safety Commission said he had seen an increasing number of people this summer riding motorcycles in shorts and without helmets. Without protective gear, he said, "The chances of not being injured are very remote."

At least 84 percent of all the injuries resulting from motorcycle accidents are head injuries, according to Sgt. Al Akers of the Portland Police Bureau's traffic unit.

Lower prices and easier financing on motorcycles and motor scooters have led to a greater number of inexperienced riders on the road, Akers said. These newer riders don't always know how to handle their motorcycles in emergency situations.

Vinita Howard, information officer for the state Motor Vehicles Division, said that most motorcycle accidents were not the fault of the motorcyclist, but of another driver, so good defensive driving skills were critical to a cyclist's safety. Often, Howard said, the car driver simply does not see the motorcycle. In the most common motorcycle accident scenario, a car makes a left turn in front of an oncoming cycle.

"The drivers of other vehicles need to be more alert and the cyclist needs to be aware that he can't be seen," Howard said.

CHAPTER FOR THE DEAF

We are pretty excited about our chapter and are looking forward to meeting you all. George would like to express his thanks to Deacon and Dan B. of SE Portland for their help and advice. We had a blast at East Portland's Summer Run, especially Debbie Kappel winning an award in the three wheel blindfold race with Gary Meakins. Also, some ABATE members were trying to learn some sign language.

We are hoping that those of you who know sign language will be able to help us to know more about ABATE. Thanks for showing your interest in our chapter.

Untill next month - Nicola

DOUGLAS COUNTY (Two Reports Received)

Hello from Douglas County. By the time you all read this, Windy Creek will be a memory and hopefully, a good one. I'd like to remind all of Douglas County members to check their membership expiration dates.

It's been a great summer so far, but remember that the cooler weather brings out the deer, so BEWARE and RIDE SAFE!!! Mike

Hello people! Bear with me, this is my first report!! Did you all see the September issue of EASYRIDERS? Our Windy Creek Run made it into their Calendar of Events. (Right beside shortstrokes.) It should be quite the event this year. Hope everyone makes it.

We've had a change in our officers. Our new membership secretary is Allen Buckle and John Woodson is the new Public Relations Officer. Congratulations guys!.

We will be having a softball game with Pitchford Boys Ranch soon. Only this time, we're going to split up the teams so we have ABATE and Pitchford Boys on both teams. Needless to say, last time they whipped us!!

I guess that's about it for now. With the change in weather (rain) I hope everybody takes extra care while riding. The roads are gonna be slick again. Stay in the wind. Shelley

EMERALD VALLEY

Our run is finally over. A lot of hard work went into it, but it was worth it. We hope everyone who attended had a great time. We also thank all local clubs, non-ABATE and ABATE members from other chapters for supporting us. We had a great time.

Our chapter is now working on a benefit run and a garage sale for September and October. Hopefully, everyone won't be too burnt out to help. We would also like to welcome Sandy to our chapter. It's about time you became a member!

That's all for now except one thing, Eric, we hope you didn't have to shitty of a time at the run. Until next month! Linda.

JACKSON COUNTY

We had Senator Lenn Hannon speak at our August 18th meeting about the I and M issue and he answered questions about the lottery, sales tax, C.U.B., unleaded gas, etc. It was a very informative meeting.

If you had the chance to make it to our South Umpqua Falls Run . . . we hope you had a good time. We would also like to thank K Falls and Douglas County Chapters for their help and support.

We would like to exchange newsletters with any chapter that is interested. Our address is PO Box 1184, Medford, OR, 97501. Have a Happy Halloween! Kim

KLAMATH FALLS

We have a whole summers full of reports to make up here. I've written all of them, but they either don't make it to State Meetings or they get sent too late.

We held our chapter elections in June. We elected several members who had never held offices.

In July we were busy making plans for our August run. We had planned on having it at the Odessa Gravel Pits. We decided to change the location to Surveyor Springs where we had it last year. The members of Jackson County were kind enough to show us a really nice swimming hole about 15 miles down the road. We would also like to thank Jackson County Chapter for their help at our run again this year. Besides Jackson County members, we also saw faces from Salem and River City Chapters. We all had a lot of fun. We had a really good band again this year. Their name - Lights Out.

On August 17th we held our M.D.A. - A.B.A.T.E. Scavenger Hunt and Pool Shoot. We had a lot of publicity on this. We raised \$70.00 for MDA this year.

We are now working on a Reno Night, a blood run, and the Toys for Tots Run. Ride Safe - - - Connie

LINCOLN COUNTY

Summer will soon be officially behind us. It doesn't seem like we had much of a summer.

Lincoln County has successfully completed their second B.B.P. We had 13 people take the class. They even received training in wet riding. Of course we know that it is so seldom that it rains in Oregon.

We are now starting with the preparations for our Annual Senior Citizen Thanksgiving Dinner. We are really looking forward to doing this again this year.

We are also starting the ball rolling for our Annual Toy Run for Mrs. Santa Claus. She take scare of over a 1,000 needy children in the Lincoln County area. With unemployment the way it is we figure that it will be much higher this year.

I sure hope that things calm down around our house soon. We have been in a tizzy with preparations for our daughters wedding. I'm sure that many of you know what this is like. It is really hard to make sure that every thing else gets done with this going on.

I hope that this does find that you and yours have survived the summer tourists. TIL NEXT MONTH - RIDE SAFE Millie

NE PORTLAND

Hello once again from NE. This is going to be a short report cause I'm in the moving stage and everything's in boxes, so there will be a better report next month.

Our toy run is coming along great and we still need toys so drop off your usable toys at one of our meetings. They are the first and third Wednesday of each month at Gino's Pizza on 108th and NE Halsey. Our meetings times were voted back to 7:00 for the winter after one 8:00 meeting. Winter, I hate that word. Until next month. Leslie.

RIVER CITY

By the time you read this, our BBP class and end of the month Bar-B-Q Run will be over. Right now, we're hoping for some dry weather. We haven't set a winter meeting place yet, but with the weather deteriorating, we will be moving The Dalles meetings indoors, soon. If you weren't at the last meeting - - call someone who was there to find out where the next one will be. Not much else to say . . . 'cept be careful and have fun. Vernon

ST. JOHNS

Hi from St. Johns. Not much happening right now. We had a small quiet party over Labor Day weekend. By the time this gets printed, we hope to have seen all of you at Silver Falls. Ride Free Barbara

WASHINGTON COUNTY (Two Reports Received)

Greetings from Washington County. Has everyone been feeling the coolness in the air - still good riding weather. Washington county Chapter is busy getting our annual toy run together. We had a pretty good turn ut last year with a good party'n time following. Well I'm looking forward to this Indian Summer I keep hearing about. You all keep riding safe and free. Till next time - Katy

Well Fall is here. We are working on the planning of our 3rd annual Toy Run. At this time, it looks like it will be in the last part of November, in Hillsboro like last year.

Our fundraiser committee is working on one last party of the year. Details to be announced at a later date. Until next time, Ride Free Deacon

WEST PORTLAND

Not much new from West Portland. We are trying our best to keep our chapter together. Dennis is doing real well in rehab. He is being flooded with bills so donations are still needed. See September newsletter for where to donate or call Patty @ 620-4452 after 5 pm.

It looks like wet weather ahead so let us all use extreme caution in the days ahead. Ride free! Patty

LETTERS TO THE EDITOR

I was really surprised when I read the article on page 10 in the August?, September? State Newsletter. When I read the title, "What The Hell", I thought, "What now?". I assumed the article which followed would be the typical foul language and style of most bikers.

I never thought I would see an article like that in anything printed by ABATE. I would like to thank Greg Schultz of the Bend Chapter for submitting that article. It really impressed me to see that article in an ABATE Newsletter. Thanks again Greg.

Connie Gardner, Klamath Falls Chapter

Dear ABATE,

Not long ago, my brother needed to go to Portland for medical reasons. Robert (my brother), myself, and Toad set out on this journey with limited funds, and determination in our hearts. When we got to Bend, we stopped at Pat and Louise's house. They and their very interesting and educational snakes helped us to the max!

Thank you!

They put us in touch with Don and Carolyn in Northeast Portland and we met them at the "Loading Zone" tavern. They very graciously shared their home with us. Plus, woke us up to make sure we were at our appointment by the early time in the morning that was needed.

Thank you!

I really had not realized what the word "Brotherhood" meant in the definition of a Brotherhood etc., until this experience.

Thank you ABATE!

My special thanks to the bartender at the "Loading Zone" that evening. (I'm very sorry lady, I can't remember your name). We will remember you!

Thank you ABATE! Michael

REPORT FROM YOUR ASSISTANT NEWSLETTER EDITOR

NO MORE CHAPTER REPORTS WILL BE ACCEPTED AT STATE BOARD MEETINGS!!!

REASON: Last month I gathered all the chapter reports in one envelope, with everyone's signature on the outside and then walked off and left them. Deacon picked them up but I didn't get them for another week, making everything a week late. That's why the newsletter is late this month.

The time frame for the newsletter is:

ALL CHAPTER REPORTS DUE AT THE PO BOX BY
THE 15 OF THE MONTH

EDITOR IS SCHEDULED TO GET ALL REPORTS
FROM ME BY THE 21 OF THE MONTH

NEWSLETTER TO BE PASTED UP AND AT THE
PRINTERS BY THE 1 OF THE FOLLOWING MONTH.

Any delay in getting chapter reports typed and to Gary results in a late newsletter for us all. I tried, but it didn't work.

FROM NOW ON, NO CHAPTER NEWSLETTER REPORTS
WILL BE ACCEPTED AT STATE BOARD MEETINGS.

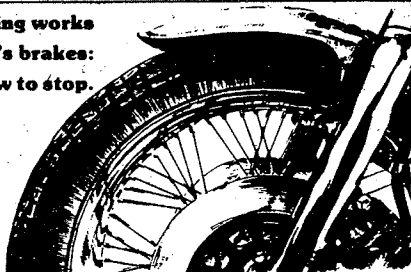

Your Chapter Coordinators have already been notified of this change, in a letter from me. Assistant Editor, Carolyn

REPORT FROM OUR LEGISLATIVE DIRECTOR

As the summer comes to a close it's now time for us to re-group and once again start thinking about our elected officials throughout the state.

We need people from all chapters to identify and contact your local representatives, introduce yourself and A.B.A.T.E. Let them know who we are and for those that are familiar with ABATE, reinforce our goals. Any and all input is appreciated and will be put to good use. I need your help. Thanks from Salem. Butch 363-6106

**** LATE ADDITION ****

(I received this one at my chapter meeting)

Hi everyone. Well, as usual, McNeil was a really great party and better than previous years, since the generator was well out of the way, and also since S.E. hangs on to the coveted Tug'o'War trophy. Nothing too heavy going on right now except we're gearing up for this year's Toy Run, so until next month, button up the rain-gear and ride safe! Carl

(This is the Southeast Portland Chapter Report. I want to urge everyone to please MAIL your reports to the P.O. box - this may be the last month I can do the newsletter, and any reports mailed to me (at my house) may not get in the Newsletter. Thanks!
