STATE BOARD MEETING REPORT

The regular State Board Meeting of A.B.A.T.E. of Oregon, Inc. was held on Saturday, February 14, 1987, at Gatehouse Pizza in North Springfield. Three chapters did not have representatives at this meeting: Chapter for the Deaf, Douglas County, and Emerald Valley. These were all excused absences.

Elections were held for the positions of Sgt. at Arms #2 and Legislative Director. Terry Ritter, SE Portland is the new St. at Arms #2 and Butch, our present Lobbyist accepted the added responsibilities of Legislative Director. Congratulations to both Terry and Butch.

Patty, State Treasurer reported that we have received a \$500.00 loan repayment from the Better Biking Program, now known as Motorcycle Safety Projects and donations from SE Portland Chapter of \$500 and Lincoln County Chapter of \$232 for the Legislative Fund.

Mother, State Membership Secretary reported that we have a total of 732 members as of February 1. We gained two over last month, have 30 new members but lost 39 who did not renew. The difference is expired members who renewed.

COMMITTEE REPORTS: Finance Committee: Insurance was tabled until there is enough information for an intelligent decision. Patty is researching this. A roll call vote was taken on joining NCOM. The motion failed. A motion to increase the mileage allowance for state board officers from 20 cents a mile, one way to 21 cents a mile was passed.

Rules of Operation Committee: The April State Board Meeting will be where the Rules of Operation will be revised. If anyone has input for the revision, get them to your Chapter State Reps. A motion was made and passed that individual chapters determine whether members of the Chapter at Large may vote or make motions at that chapter until the Rules of Operation are revised.

Fossil Committee: We need a state licensed electrician now and paramedics at the run. Each Chapter State Representative at the February meeting now has Fossil tickets for sale. This is our major state fund raiser for the year and needs the support of everyone who believes in "Freedom of Choice".

Legislative Committee: Butch says GET INVOLVED! Also why are Chapter Legislative Directors calling him on Wednesdays and Thursdays? He only heard from seven chapters this past month.

A motion was passed to vote on joining NCOM at the March State Board Meeting. Your Chapter State Reps. have more information.

Submitted by Mother, Acting State Recording Secretary. Hope you feel better Mike!

A Message from YOUR State Coordinator

LEGISLATIVE ISSUE's:

The fight is on! Mary Alice Ford has introduced HB-2581 (MANDATORY helmet law). Rod Monroe has introduced SB-87 (MANDATORY seat belt law).

This is still America (home of the brave, land of the free), WE (you and I) have the RIGHT to OUR own opinion on the Freedom of Choice, to wear a helmet or seat belt or not.

The mailing address for State Representative Mary Alice Ford (R), is Room number H-378, Oregon State Capital, Salem, Or 97310.

The mailing address for Sen. Rod Monroe (D) is, Room number S-205, Oregon State Capital, Salem, Or 97310.

WE must write these people and offer them OUR opinion on OUR Right (as registered VOTERS and American's) to Decide on the ISSUE of helmet's and seat belt's.

This letter writing must be done, if WE snooze, WE will lose. Ride Free...DEACON

"ATTENTION ALL BIKERS"

Monday, March 23rd at 7:00pm in the Hearing Room D at the State Capitol. The Human Resource Committee is hearing testimony on the Helmet Bill #2581. Come to this hearing and show your support in our cause against it. We need as many as possible to be at this hearing. Butch.

STATE MEMBERSHIP SECRETARY'S REPORT

Things are happening fast on the legislative track. Your Chapter Membership Secretaries have been selected to get out legislative information when fast action is necessary. Butch will let me know when action by individual members is necessary and I will, in turn, contact each chapter membership secretary with the information I receive from Butch.

From there, it is up to your chapter's membership secretary to make sure that this information is passed on to you. This will take cooperation from all of us, working together to make sure we are an involved, informed organization.

Road Lists will be available at the March State Board meeting. If you're on the road and need help, this list will have first names, phone numbers, and the area of the state the person offering help is in. I hope that no one has to use this list.

Do you know someone whose membership expired? I just wiped 350 members off the active membership list because they have expired since the first of 1986. Don't let it happen to someone you know. Get those people back and get them involved. We need everyone who cares about freedom to help keep that freedom. A few people can't do it by themselves.

Of course, if they don't care and like having to wear helmets and pay unreal insurance rates (when they can get insurance) - - I guess there is nothing you or I can do about it. We do believe in FREEDOM OF CHOICE!

Helmet bill conflict renewed

By ALAN R. HAYAKAWA
of The Oregonian staff

SALEM — The perennial battle over mandatory helmet use by motorcycle riders returned Thursday to the Oregon Legislature.

Rep. Mary Alice Ford, R-Portland, argued that the public was forced to assume part of the bill resulting from injuries to helmetless riders and said she would introduce a bill to require motorcycle riders to wear helmets.

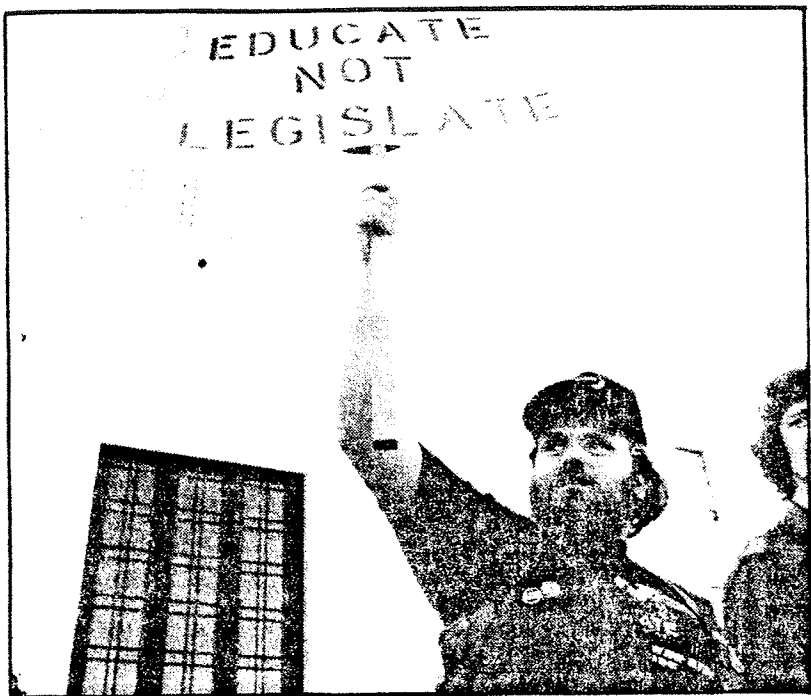

Opponents were on hand, too, for Ford's news conference. About 75 vocal members of the American Motorcyclist Association and A Brotherhood Against Totalitarian Enactments, or ABATE, jammed to overflowing the small room in the Capitol used for meetings with reporters.

The motorcyclists, wearing riding outfits ranging from white windbreakers to black leather jackets and pants, said if the bill passed they would seek its repeal or a direct referral to voters.

Butch Harbaugh of ABATE said rider safety education was a better cure for accidents. Most of the fatalities cited by Ford, he said, involved riders under age 24 who had been drinking or riding at high speed. Harbaugh said the issue was individual rights, not safety.

"Operating a motorcycle is a privilege, not a right," Ford said.

While an ABATE slogan says, "Let those who ride decide," Ford countered with a slogan of her own: "Those who pay, let them have a say."

The Oregonian/MICHAEL LLOYD

Butch Harbaugh, a lobbyist for ABATE of Oregon, which is opposed to legislation requiring motorcycle riders to wear helmets, demonstrates before the state Capitol. He says his group will fight the measure that Rep. Mary Alice Ford, R-Portland, plans to sponsor.

"We pay, too," several bikers in the back of the room said.

Asked how the law could be passed or enforced without wider support among those directly affected, Ford said, "I would hope they would change their minds."

That was greeted with laughter, so she added, "And I'm afraid I don't need their votes to pass this bill."

The 1967 Legislature made helmet use mandatory for motorcyclists, with repeal measures introduced in subsequent sessions. The 1977 Legislature approved the repeal but required helmets for riders under age 18. Several attempts have been made since to re-enact the law.

The helmet bill joins the manda-

tory seat-belt proposal and one to increase the speed limit to 65 mph under certain conditions among the traffic-safety issues facing the 1987 Legislature. Proponents of the seat-belt bill say it would save lives and money, while opponents of raising the speed limit say it would cost lives and would waste fuel.

Ford, who was joined by Sen. Rod Monroe, D-Portland, and Reps. Darlene Hooley, D-West Linn, and Judith Bauman, D-Portland, said her bill as drafted would not cover riders of scooters or mopeds.

That remark was greeted with boos. But Ford said she believed scooter riders, too, should wear helmets.

The above article list's Sen. Rod Monroe (D), Rep. Darlene Hooley (D), and Rep. Judith Bauman (D) as supporting Rep. Mary Alice Ford's proposed HELMET Bill (H.B.-2581).

This is still America (home of the brave, land of the free), WE (you & I) have the RIGHT to OUR own opinion on the Freedom of Choice, to wear a helmet, or not.

The mailing address for Sen. Rod Monroe (D) is, Room number S-205, Oregon State Capital Salem, Or 97310.

The mailing address for Rep. Darlene Hooley (D) is, Room number H-491, Oregon State Capital, Salem, Or 97310.

The mailing address for Rep. Judith Bauman (D) is, Room number H-474, Oregon State Capital, Salem, Or 97310.

WE must write these people and offer them OUR opinion on OUR Right (as registered VOTERS and American's) to Decide on the ISSUE of helmet's.

This letter writing must be done, if WE snooze, WE will lose.

The above info submitted by DEACON, State Coordinator, A.B.A.T.E. of Oregon, Inc.

Fossil Committee

Tickets are now available from your state rep or by sending a money order to the Fossil Coordinator, A.B.A.T.E. of Oregon Inc., P.O. Box 4504, Portland, Ore. 97208. There will be live music Friday, Sat. & Sun., so come early. I'm still looking for a state licensed electrician, so we can possibly have electricity out there this year. If some one out there can help me, can't you? Please call me if you can lend a hand. Barb 289-2250 - between 6am & 8pm. A lot of comments have been made concerning the price. It's only the price of a pitcher of beer more than last year & where can you go for 3-4 days & 3 nights, enjoy good company, drink, dance, enjoy good music (I promise) & have one hell of a good time, for \$15 or less? Non members will receive a coupon at the gate good for \$5 off one years membership fees. This is a way to try & bring in new members. If anyone has a particular place they would like Fossil flyers sent to, please, let your reps know or call or write me. I will gladly mail some off immediately. Remember, this is A.B.A.T.E. of Oregon Inc. only fund raiser during the year. This is the mainstay of this organization's financial means. We can't function without it & we can't function without you. Ride Free - Barb.

Paraphernalia

Sweatshirts & Long sleeve T-shirts are now available - I also have several XXLg T-shirts. Indian Creek rockers available for the Chapter at Large for \$2.75 each. Jackson Co. has added Beer Can wrappers - velcro closures, black w/white trim & lettering - let those who ride-decide- A.B.A.T.E. These are selling for \$4.00 each. Looks like A.B.A.T.E. - Baseball Caps will be the next addition. Barb.

Chapter for the Deaf

Well there's not much to say about this month, I want to thank those members who are making our monthly meetings in Salem and in Portland. We need your support, come to our monthly meeting when they come to your area. Our next meeting will be at Salem's Pietros Pizza, Market St., March 7 at 1:30 and again at Portland at the Pizza Baron on Division at 1:30. The T-shirts are in, come get your T-shirt. Eagle Power - Joe De Camp.

Douglas County

No newsletter report for the first time. You are now on probation.

Emerald Valley

Hello from Emerald Valley. By the time you read this I'm sure that there will be a helmet bill introduced in the legislature. We've all got to work hard and write those letters to let our Legislatures know how we feel about this. If we don't we could be wearing helmets by the end of summer.

By now our chapter's Pool Tournament is over. I'm sure we all had a good time and congratulations to the winner. We are planning a Spring Poker type run for May 2. It is just in the planning stages more on it later. We have had a few more members coming to the meetings but we still miss all those who do not attend. Come on down and get involved, we need everyone to keep this organization going. Till next month, ride safe and have a Happy Spring!
Larry.

Jackson County

Everyone in Jackson County says Hi, we're all anxiously awaiting warm riding weather. There is a little lull in the action now. We just hope everyone gets out their pen and expresses their opinion on the proposed Helmet law. Bye for now -
Patty.

Klamath Falls

Another month has come & went so to start off I'd like to once again say a fond thank you to both Jackson Co. and Lane Co. members for making our Oddessa get together a success. To find out about our meetings call the numbers on the back of your state newsletter.

Mary Ford is at it again, we'll have to nip this sponsorship of a helmet bill in the butt. Our Chapter has put up a reward for the person who gets the most responses on this issue. See the flier within & be involved in our Legislative process. Come to a meeting & learn about all the issues were involved in. Our run in August is being planned, so come along & join in the fun. Marge.

Lane County

Lincoln County

Our 4th annual anniversary party will be March 7th from 8:00p.m. to 1:00 a.m. at Moby Dick's Restaurant in Newport. We will have live music, snacks and door prizes so we would like to see some of you there. Also, we are in the planning stages of a trap shoot with any proceeds to go to our Legislative efforts. More information in the future on that. I'm sure we all have the same problem, wanting more attendance at the meetings, so we are trying a treasure hunt to encourage participation. At each chapter meeting only, a new clue is given leading toward a cash prize. You don't get the clue unless you attend the meeting. We'll let you know how it works. Hope to see you March 7th -
Vicki.

Mt. Hood

Hello from Mt. Hood. We hope everyone will write to their Senators and Reps. We taped the News on Feb. 5 about the helmet bill. A few of us were there. Sorry to see Dr. Dave go, best of luck to him. Thank you to the other chapters who came to our meetings. We appreciate you coming and your input.

Mt. Hood
(continued)

We are up to 43 members. We have a new membership drive going on. A few of us went to the Governor's Advisory committee on Motorcycle Safety. Look for fliers on a spring run in March. Ride free. Thank you - Barbara.

N.E. Portland

February Input-N.E. sends HELLO to all. Things are looking good for us. Our summer run committee is on the ball, preparing for a happening run this year. With all the chapters forming the committees for their runs and anniversary parties, I'd like to bend some ears and share a little tale. Recently, some members of A.B.A.T.E., changed their status to "Members-at-large". Having a background as these members do, it made me rather curious as to the change. So, I sat on this a couple days, and now I feel a little bold... so here goes. Having in the past served on many committees, volunteered time, and held positions as officers. Maybe, these statements came to their ears ONCE to often. 1. Well, I can't give you a for sure answer, but there's a good possibility that tomorrow I might have a yes-or-no, tentative answer. 2. I'll be back in a few to give you a break. 3. I was on the volunteer list? Jeez! I sorry. OR, was the reason. The same ol' member, signing up for the same ol' committees, doing the same ol' duties, year after year. Based on my own observations, I'd like to say that "COMMITTEE BURNOUT" is not a pretty sight! It sure would be nice to see new names on those committee lists, volunteers and new ideas are always in demand too. Lets have everyone enjoy the runs this year. Especially those who efforts make it possible. Until next month...Living in my freaky styly way! Lola.

March Input-How time flies when we're enjoying the time of year! March is here, and summer type days are popping up here and there. I sure hope you all have those torn-down bikes on their way up. Never fails! Our legislative session is keeping us on our toes this year, and it's time to put our best foot forward and keep

ourselves informed. Keep this in mind next time you throw that leg over and start'er up. Did you do all you could to insure that your rights as a taxpayer and registered voter (You all are registered voters right?) are not taken, and your opinion heard. Sharpen those pencils and write, write, write.

I'd like all A.B.A.T.E. members to maybe take a couple minutes of their time and personally thank one of A.B.A.T.E.'s finest members, Dr. Dave. Dr. Dave has regretfully resigned from office of Legislative Director, and State Rep. The time needed for those positions is no longer easily available. For those who aren't aware, Dr. D. has his shop open for business, so drop in, say hello. I'm sure he'd enjoy it, and the address is 3939 N.E. Cully. Well, see you at those upcoming parties. Catch the sun while it's out. Keep that good P.R. up and bring in those new members to your next meeting. Freaky Styly and I'm Proud, Lola.

River City

Hello from River City! At last, the glimmers of spring! We've already had some great riding days. Unfortunately, impending motherhood is keeping me grounded for a while but there is still plenty of things to be done. Teresa has been very busy with the Governor's Motorcycle Safety Advisory Committee. The legislative session is in full swing and we have a new Governor so let them know how you feel about those important issues! They won't know unless you do.

We are starting plans for the Rodeo runs and hopefully some fund raisers. Fossil time is almost upon us too. With all these things in the works, your efforts and enthusiasm are needed more than ever, so get out there and help out. Don't make the old faithful carry the whole load, they're getting tired. Ride safe during the tricky spring weather folks. See ya on the road. Kim.

Salem

No newsletter report for the second time. You are still on probation.

S.E. Portland

Hello everyone! Things here are moving right along. Our Anniversary Party is on March 28, 1987, at the VFW Hall on 122nd & Mill. We plan to have live music with Curtis Salgado & the Stiletto's, Beer & Pop. The charge will be \$5.00 a person. Also Door & Drawing prizes. So come and join us for our 6th Anniversary.

We'd like to remind everyone we have some Toy Run T-shirts left in Med. & Lg. They still cost \$8.00 a piece. For more info. call Mikey or Carla at 659-9205. We'd like to say that the February Newsletter was more like what we've been looking for. Great job. Thanks for the information. Let's do our best to support and help our Lobbyist. It's gonna be a long tough fight this year. Ride Safe - Carla.

St. Johns

With proud parents beaming, 7 lb-12 oz. Heather made Friday the 13th a very lucky day. Congratulations Sue & Jeff Worthington. If I know Jeff, Heather will be riding her own Scooter before long. Congratulations again from the whole chapter. Who ever said a full moon, on Friday the 13th was bad luck?

Gearing up for our 4th Anniversary Party - by the time this comes out it will be history - hope everyone had a good time. We're all busy writing letters to our reps & legislators. And from what I've heard we've got them hopping. Lets all write & do our part. With Fossil just around the corner, we're busy setting things up for our stand. Hopefully we will also have a few surprises for you. Till next month - Ride Free - Barb.

Washington County

Greetings everyone. Guess what. We are going to have our Open House. It is March 28th at Forrester Hall In Verboort.

Same place as last year. We hope to have our act together so we have no problems this year.

At our meeting last night we were told about several bills coming up which effects all of us in one way or another. We have to get on the stick and write letters and attend some of the hearings to protect ourselves. I wear a helmet because I want to, but I sure as hell don't want to be told I have to. DO YOU? Why are we losing members? Does anyone know? I sure don't. I enjoy A.B.A.T.E. All the runs and just the enjoyment of meeting and seeing friends at least twice a month, that I wouldn't see because of their work or mine. I think we should find out what is happening. I know this has been a ruff year for every chapter. It sure has been for ours. Until next month Ride free and safe. Hilda.

West Portland

This is always a chore. It seems that no one wants to write anything for this newsletter. Today is Friday the thirteenth, the moon is supposed to be full tonight and I had to go to the dentist this morning. Those of you with school children will no doubt understand about the Valentine parties today. Anyway - I'm dingy today.

I would like to take this opportunity to thank Luke Metcalf for being at our meeting last night. He's stories of "early A.B.A.T.E." they were wonderful. Just the right thing for our poor floundering chapter. So, West Portland members, why not show up for the next meeting (March 12) and hopefully Mr. Metcalf will again be there with stories and inspiration. Hello to special people in Douglas County and thanks for reading this all the way to the end. Mary Schmidt.
