Message from the State Coordinator:

This past month I have been real busy going to as many of the individual chapter meetings as possible. I have been talking to a lot of people and checking out the different avenues for fighting the mandatory helmet law. I am putting together a 'plan' to get this started. We all need to work together on this and get out there and talk to the people. I will be reporting more at the Board meeting. We stand together, lets fight together, to be free.

LEGISLATIVE ALERT

Write to the following members of the Senate Consumer Subcommittee:

Senator Albert Gore, Jr., Chairman  
Senator John Breaux  
Senator Wendell Ford  
Senator John McCain  
Senator Bob Kasten

Address:

Senate Hart Office Building, Room 227

## Douglas County

Douglas County is tentatively planning another Casino Night for November 14th at the Union Gap Tavern in Roseburg. For those who have never attended a Casino Night before, here's how it works. For \$2.50 you receive a packet of \$250.00 in "funny money." During the evening you can use the funny money to play poker or bet on pool games, or shuffleboard. At the end of the night, you can use the money you have to bid on the items we will be auctioning off. Anyone from out of town who would like to come, bring a sleeping bag and we'll find you a place to stay. Our 1988 Biker Art Calendars will be available at the December State Board meeting. Each chapter representative will be able to take some back to their chapter to sell. Hopefully, if the cost of paper & printing hasn't gone up too much, we will be able to offer them for the same low price we had last year....\$5.00. Plan to get several-they make great Christmas gifts!! Hope everyone has a safe Halloween. Ride Safe.

## Klamath Falls

Hi everyone, Not too much going on at K-Falls, nothing planned in the near future. The Odessa Gig was lots of fun! Sorry not to have seen many from the west side. By the time this appears; nomination and election of Officers, State and Chapter will be on us. Some thought should go into your choices. If you don't like it as it is, find those who are willing and able to really do the job. The movers, not sleepers. Most of all; (K-Falls) show up, make your ideas, opinions and choices known. Don't let K.Falls go down the tube. Don't force us to turn in our charter due to lack of attendance and lack of participation. We are very close to it at this point. Other chapters have folded. Do we want to? Really? It is your chapter, it is up to you, not me, not any one individual. It is you, all of you. Bros. it's down to the wire, think, get your ideas, nominations, etc. Get your shit together!! All Chapter Officers, at this point are open! Thanks Bitchin Bob.

## Lane County

Dear Brothers and Sisters in A.B.A.T.E., I hope everyone is looking forward to a good Thanksgiving. If we get this helmet bill kicked out, we'll all have something to be thankful for. With the rainy season coming it brings more inside parties and more drinking so remember to ride safe, ride long-n-free. Limey Curt.

## Lincoln County

Lincoln County is trying to accept the fact that summer is over and winter is upon us. We had a scavenger hunt in October to raise funds for the helmet law fight. Everyone had a good time, but my team had a hard time with the pink foam hair curler. After the hunt, we had a wonderful chili feed put on by Karen Gasca and Dan Sutherland, with raffle items donated by businesses and individuals. The first two weekends in October were filled with mobile MRC held in Newport. The Marine Science Center volunteered riding as well as classroom space. They had also let us hold the ERC there in August. The MRC was very popular and filled up with registrants within a short amount of time. Hopefully, the instructors will come back in the Spring. Senior Thanksgiving Dinner is beginning its planning now. The senior citizens are already asking to sign up for the dinner. Hope to have a nice display of literature on the helmet law for them as they enjoy their food. We need to take every opportunity to present our case to the voting public. Til next time - Vicki.

## Mt. Hood

Greetings from Mt. Hood, Let's all start getting in the spirit of giving & caring Nov. 14, 1987 at 7pm as we celebrate our 2nd Annual Care Run. Come one, Come All, 3 can goods or a donation will be your pass to a nice, rowdy, hardy party time. With all can goods & donations going to help Community Services in Sandy. Come listen and dance to good music, enjoy beer, door prizes and we promise you a good company, where at Grange Hall in Troutdale. Look for our flier starting the 1st of Oct. In the spirit of helping & caring for Thanksgiving, come all. Angie Beebout.

Salem

Salem Chapter and AMO have been doing some sharing of ideas which has been real informative and a lot of fun. AMO made the following comments which they wanted in the newsletter; "We enjoyed working with everyone at the State Fair booth and we're happy to have met all the new Brothers and Sisters around the State. Mel Shehorn, Vice Chairman AMO and member of Salem Chapter ABATE." If you'd like to go to one of their meetings they meet the last Friday of the month at Linn-Benton Community College, 7:30pm, in Albany. Just in case no one noticed our meeting day has changed. We're now meeting on Wednesdays at Izzy's Pizza on Lancaster Dr. in Salem. It's in the middle of the week; you're over the hang over and gearing up for the weekend! So come on in and see us it would be great to see you! For more information call Vicki at 769-3362 or Butch at 363-6106. Our sympathy to Cyndi Foster, Salem Chapter Historian, who recently lost her father. Keep your chin up lady, we care.

On a more pleasant note, let's welcome a new officer to the Salem Chapter, Chris King, known as "CC", who is now our Newsletter Editor. Yep, It's me! Hi everyone! Salem Chapter is buzzing about Thanksgiving and Christmas activities, plus our Anniversary Party which is tentatively scheduled for Dec. 12th. Can you believe it Holidays already...time flies when you're having fun! (and even when you're not!) Until next time...Ride Safe but Ride Free, "CC". Comments from Salem Chapter Members ..."Hello our friends in Redmond and the Central Oregon area" - "Thanks AMO of Albany for the \$100.00 donation to the State Fair booth" - "We just started becoming involved in the many programs that Salem Chapter has going on. We believe in the work to be done and are having a great time helping. Watch for the dust that two 'old farts' can generate. Mel & Sharon" - "Welcome back to earth Vicki, we missed you. CS the BS"-

Hello from SE Portland. Well, it's Toy Run season again, so start collecting all those toys and whatever else you'd like to donate to the Shriners's Hospital. Toys are important, but we also need money to buy wheelchairs and other much needed equipment for the kids. Funds are down from last year, so hit up your friends, boss, work and local businesses for cash donations. They can verify their donations and make a direct deposit to: First Interstate Bank, Portland ABATE Shriner's Hospital Fund, Account # 120-201-0346. Our next Toy Run benefit party is on Nov. 21 at the River Road House in Milwaukie. More details on that one at the next meeting. Also, thanks to both Jeff Giddings for donating \$100.00 for beer at the Toy Run Party and another anonymous person for a donation of \$30.00. We'd also like to welcome "Rooster", a brand new member of our chapter. That's all for now, see ya at the meeting, Phil.

St. Johns

From the Far North, Comes the cry "Where were you?" you missed Silver Falls." Don't tell me, we've got fair weather riders in Oregon. A little rain Friday scared you off, so you missed out on a super weekend, weather and all. Thanks to Pat, Mike & Rich for doing a super job on the games. The Marshmallow Bite & Ski Races were a blast for kids & adults alike. No one went hungry or thirsty, there was enough food to feed three times as many people and refreshments flowed for 3 days afterwards. A great big hug & thank you to each & everyone of you that helped out. We sure had fun. By the time this is in print, our annual Halloween Party will be logged in our photo album. Coming up, the Dec. 5th Toy Run, our childrens xmas party & most important our Campaign for the May '88 primary. "Reach out & Touch some one!" Barb.

Washington County

Oh, No, not again. Can anyone solve the case of the missing newsletters? We mailed three newsletters, only to have them disappear mysteriously into oblivion.

Washington County  
(continued)

Hopefully, this one will reach its destination in time to make the paper. Maybe a solution to this problem is to periodically change the lock on the P.O. Box so not too many people have access to it. We don't like being put on report when it's not our fault, we can make enough mistakes on our own without having to pay for others. We are hard at work getting everything set up for our Toy Run on Nov. 28th and will make sure that all of the Chapters receive a flier stating the time and other pertinent info. We hope that some of you out there will join us, as we plan on having a good time.

Like the rest of the Chapters, we are doing our best to come up with ideas to raise funds to help fight the helmet bill. We do live here, because we are supposed to have the right to decide and hopefully that won't be taken away from us by someone who doesn't know the first thing about riding a motorcycle and has probably never been on one to begin with. There is an Interceptor 1000 sitting in this garage. Killer motorcycle? Is John Danforth a bike rider and does he know what he is talking about when he introduced a new bill to regulate acceleration and horsepower on all motorcycles. CCs have nothing to do with riders getting hurt or killed. Lack of experience, helmet or not, seem to be one of the huge factors. We do need to start writing letters expressing our concerns to the Dept. of Transportation or we are all going to be riding 100cc bikes. Sharon.
